Delhi | ghanisheikh26@gmail.com | +91-9548733927 | LeetCode | LinkedIn | GitHub

## Professional Summary

---

Web Developer with experience in designing and developing full-stack applications. Proficient in backend technologies such as Node.js, Express, MongoDB, JavaScript and Java, and frontend technologies including React, TailwindCSS, HTML5, and CSS3, with end-to-end development exposure. Skilled in RESTful API development, authentication and authorization and database integration with MongoDB and I'm eager to work on cutting-edge technologies in web development.

## Education

---

<b>Galgotias University</b> , Bachelor of Technology (B.Tech), Computer Science & Engineering	2022 – 2026
• CGPA: 8.83/10.0	
<b>Brown Wood Public School</b> , Senior Secondary (XII), CBSE	2021 – 2022
• Percentage: 86.6%	
<b>Brown Wood Public School</b> , Secondary (X), CBSE	2019 – 2020
• Percentage: 79.0%	

## Projects

---

<b>Microblogging Platform</b> [GitHub Repo]	Aug 2025
• Developed a full-stack Microblogging Platform with server-side rendering, allowing users to securely create, edit, and manage short posts. Implemented authentication, session handling, and core CRUD functionality for smooth user interaction.	
• Tech Stack: EJS, TailwindCSS, Node.js, Express.js, MongoDB, JWT	
<b>Mini-Docs</b> [Github Repo]	July 2025
• Developed a note-taking app that allows users to submit notes with file size display, supports draggable note cards, and includes delete functionality for intuitive document management.	
• Tech Stack: React.js, TailwindCSS, Framer Motion	

## Technical Proficiency

---

**Languages:** Java, JavaScript  
**Frontend:** React.js, TailwindCSS  
**Backend:** Node.js, Express.js, RESTful APIs  
**Database:** MongoDB  
**Softwares:** VS Code, Git Github, Postman  
**Course work:** OOPs, OS, Data Structure and Algorithms

## Certification and Achievement

---

**Postman API Fundamentals Student Expert**

- API testing using Postman
- Making GET, POST, PATCH, and DELETE requests

**EF SET English Certificate**

- Successfully completed the EF SET english test and earned C2 level

**Solved 250+ problems on Leetcode and GeeksForGeeks.**

## Interpersonal Skills

---

- Problem-solving, Communication, Coding, Traveling
